## List and Information of Pharmacy Colleges from India

This compilation is the complete list of Pharmacy Colleges from India and has been updated in the year 2013.

Information is provided at two levels. The first level is the basic information such as the address of the college. The second level information includes information such as the names of the principal, number of seats, facility, Admission Procedure, Application Procedure, Eligibility Criteria, Fee Details, Hostel Facilities, Established Date, Management details, Courses - B. Pharm ,D. Pharm or M Pharm if available. Selection, Criteria, Scholarship, Reservation and Eligibility Criteria and Criteria and eligibility as governed by state bodies.

Most entries have been verified however there maybe some entries that are old and that which are not updated by the college themselves.

The information has been segregated by States and Union Territories for easy reference. The number of seats in many colleges have increased and this may not be reflected accurately in this compilation. Some colleges may also have started some new courses too and this again may not be reflected in the current database.

The appendix section contains labels that can be cut and used for sending out letters. This has been done for the convenience of an end user.

Medindia revises its information every year and keeps it as current as possible. We welcome your suggestions, feedbacks and updates about any new Pharmacy colleges or any updated information about a medical college in the provided list.

If you are seeking admission to Pharmacy Colleges we wish you good luck. Medindia thanks you for purchasing this college directory.
